IF you get a good plane and pay a big price part of your moner is wasted. If you get a poor one at any price all your money is wasted. Once to the one plane house of St. Louis that handles none but standard makes, all marked in plan figures and no matter how little you know of plane values, you are certain to get more real value than at any house in the city. The House That Saves You Eto to tillo.

TELLING FACTS.

Our increased patronage of the last few months indicates to us that the St. Louis public is beginning to agreeine our off-repeated assertions regarding the same of money by purchasing pianos of us. We one continued to continue the country of the truth of these afficients: low expenses and small profits has always been our motto; 34 years in business in St. Louis. BEYER'S, Seventeenth and Locust.

\$75.00 SAVED, \$75.00 EARNED.

An old and true maxim is the above, but in reality how much better to feel that it is true. Any plans in our stock of new uprights would cost you elsewhere \$75 more than our price. To prove it, visit our beautiful wareroom, study our location, then the secret of our low prices is out. Terms as easy as anybody's, a country of BEYER'S, Seventeenth and Locust.
